Greetings Middle Western Province Brothers,

Hopefully everyone has recouped from the good times had at the 78th Grand Chapter Meeting in Minneapolis, Minnesota. It was truly one of the best Grand Chapter Meetings ever.

As Polemarch of the Omaha Alumni Chapter I want to personally get on each of your calendars right now, for the upcoming 86th Middle Western Province Council to be held in Omaha, NE on April 17 - 20, 2008.

The Omaha Alumni Chapter has accepted Province Polemarch Elmer Crumbley's challenge to make this Council the best business session and entertainment session thus far. For those of you that can remember, we had our 75th Diamond Jubilee meeting in Omaha back in 1997, and brothers, we had a great time!!!

The City of Omaha will open its doors for the Men of Kappa Alpha Psi. You don't want to miss this one!

Event details, hotel and registration information will be forthcoming.

Yours in the Bond,

Eric Humphrey
